

SEBASTIAN CONTRERAS CEBALLOS

SOFTWARE ENGINEER

[Portfolio](#) · [Linkedin](#)

PROFESSIONAL PROFILE

I am a software engineer with 3+ years of experience in web development, specializing in Angular technology. My main focus is to ensure quality and usability in front-end applications through testing practices. During my leisure time, I am passionate about taking care of plants, which not only provides me tranquility but also reinforces my disciplined approach and ability to overcome challenges with determination. I am excited to contribute to innovative projects and continue growing as a professional in web development.

EDUCATION

Software Engineer. Universidad Industrial de Santander.
